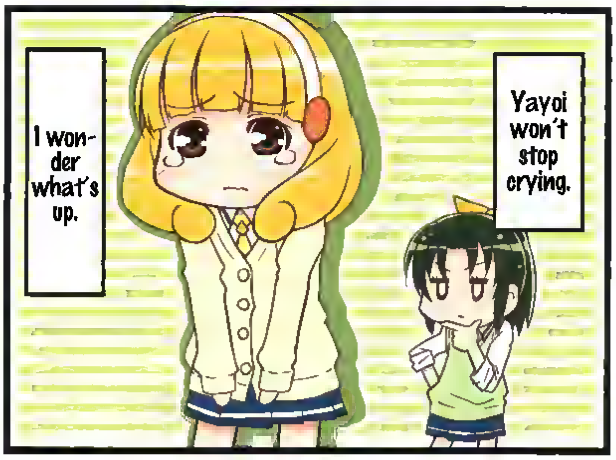
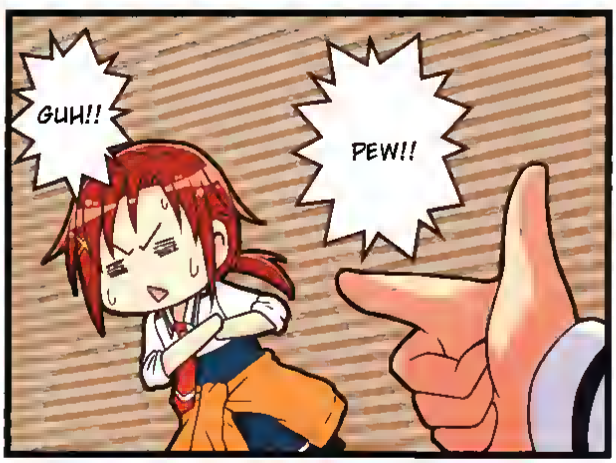
Maybe she's not really Kansai raised? I mean she even says "Mac" instead of "MacDo" and she eats natto
I can't believe Akane got okonomiyaki almost sacred in Kansai as a pizza!!



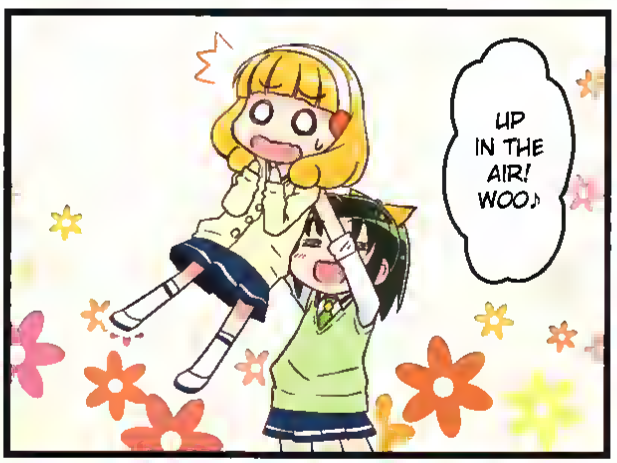
I wonder what's up.
Yayoi won't stop crying.

AKANE-CHAN!!
I...!! I still trust that she's a proper Kansaier!!

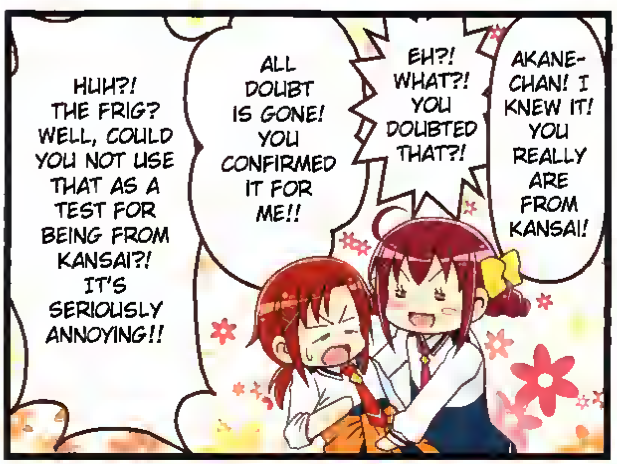
If I just do that thing you do for a younger sibling...
Oh, right!



GUH!!
PEW!!



UP IN THE AIR! WOO♪



HUH?! THE FRIG? WELL, COULD YOU NOT USE THAT AS A TEST FOR BEING FROM KANSAI?! IT'S SERIOUSLY ANNOYING!!
ALL DOUBT IS GONE! YOU CONFIRMED IT FOR ME!!
EH?! WHAT?! YOU DOUBTED THAT?!
AKANE-CHAN! I KNEW IT! YOU REALLY ARE FROM KANSAI!

Two seconds later she was crying even harder.

Hello, nice to meet you, this is Sayousuke.
This is my first picture book. I hope it turned out okay.
I kind of went with my own tastes,
so I'm curious to see how it's received.
I uploaded 2 pages to pixiv earlier, so they can be considered
a reprint, and this book is for the uniques.
Of course, books with stories are way more popular,
so my next Smile Pretty Cure book will be a story manga.
Bye!

Sayousuke.
